ANA VICTORIA
GARCÍA ARQUIETA

LANDSCAPE ARCHITECTURE TEAM LEAD | LICENSED ARCHITECT (MÉXICO)

(+52) 8113975052 | anavictoria.arquieta@gmail.com | www.linkedin.com/in/anavgarquieta

PROFESSIONAL SUMMARY

Licensed Architect in Mexico with 7+ years of experience in architectural and landscape design, including 2 years specializing in U.S. landscape architecture. Experience leading commercial, industrial, mixed-use, residential and park projects across Mexico, Arizona, California, Idaho, Texas and Egypt.

PROFESSIONAL EXPERIENCE

SEG INTERNATIONAL — **October 2024 - Present**
Landscape Architecture Team Lead

- Lead the design and documentation of commercial, industrial, mixed-use, residential, and park landscape architecture projects across multiple U.S. jurisdictions.
- Prepare code-compliant landscape plans and construction documentation, including planting, irrigation, hardscape, details, and specifications, in accordance with applicable municipal and project requirements.
- Coordinate with civil engineers, architects, planners, project managers, and landscape architects to resolve design and technical issues throughout project development and municipal review.
- Conduct quality control reviews and technical back-checks, incorporating consultant and municipal comments and coordinating revisions prior to project submittals.
- Provide technical guidance to landscape architecture team members and support project workflow, coordination, and delivery as Team Lead.

GRUPO DMI — **October 2022 - October 2024**
Landscape & Maintenance Coordinator
Developments:
El Molino Residencial & Golf — León, Guanajuato | May 2024 - October 2024
Mayakoba Country Club — Playa del Carmen, Quintana Roo | October 2022 - May 2024

- Oversaw landscape operations and maintenance across large-scale residential developments, including green areas, water features, and common spaces.
- Coordinated with stakeholders, consultants, contractors, and property owners to review landscape designs, support lot deliveries, and oversee landscape-related construction.
- Reviewed contractor cost estimates, managed project contracts and supporting documentation, and monitored compliance with contractual requirements through project completion and closeout.
- Led environmental compliance audits with biologists and company auditors, verifying adherence to MIA requirements and monitoring project budgets and commitments.

Global Northeast Corp. — **January 2022 - September 2022**
Lead Project Coordinator
Project: Constellation Brands facilities — Nava, Coahuila

- Coordinated project and engineering teams throughout design development, overseeing technical drawings and project deliverables.
- Organized client presentations and facilitated project meetings to support design coordination and decision-making.
- Provided on-site supervision and quality control during project implementation.

Gladiola Estudio de Paisaje — **February 2021 - November 2021**
Landscape Architect

- Developed landscape design proposals, including plant and material selections tailored to project and client requirements.
- Produced 3D models, presentation graphics, renderings, and visualizations to communicate design concepts.
- Collaborated with the Design Director throughout conceptual, schematic, and design development phases.

Urban Landscape — **September 2017 - December 2020**
Landscape Designer

- Contributed to conceptual, schematic, and design development for landscape architecture projects.
- Prepared project cost estimates and developed design proposals, renderings, 3D models, and presentation materials for client presentations and design reviews.
- Supported the production of construction documents and project deliverables through design development and production.
